

Generate a Facebook Ad Preview Link

1 Click on Campaign

The screenshot shows a 'Campaigns' management interface. At the top, there is a warning message: 'The credit card used for this ad account has expired.' Below this is a search bar with the placeholder text 'Search or add filters'. A row of action buttons includes a green 'Create' button, an 'Export' button with an up/down arrow icon, a dropdown arrow, and a three-dot menu. Below the buttons is a table with a header row containing a checkbox and the text 'Name'. The first row of the table has a checkbox, a right-pointing arrow, another checkbox, and the text 'Zeus promotion'. A yellow rectangular box highlights the 'Zeus promotion' text and its associated checkboxes. A black arrow originates from the text 'Click on Campaign' and points to the 'Zeus promotion' entry.

2 Click on Ad Set

Ad Sets

 The credit card used for this ad account has expired.

 Search or add filters

Create  **Export**  

<input type="checkbox"/>	Name
<input type="checkbox"/>	  CA - 18+

3

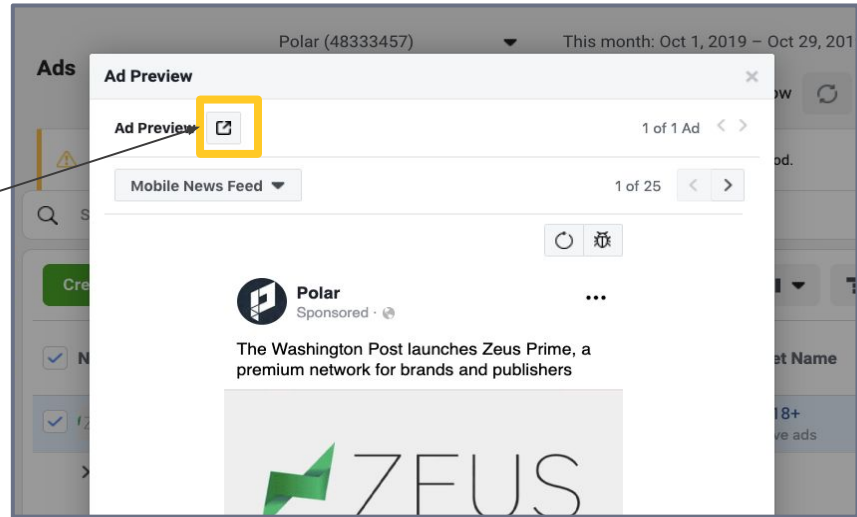

Select Ad and click
“Preview” button in
top-right

The screenshot displays the 'Ads' management interface for account 'Polar (48333457)'. At the top, there is a warning message: 'The credit card used for this ad account has expired. Please go to **Billing** to update your payment method.' Below this is a search bar labeled 'Search or add filters'. A toolbar contains several action buttons: 'Create' (green), 'Duplicate', 'Edit', 'Export', and 'Preview' (highlighted with a yellow box). Below the toolbar is a table of ads. The first row is selected and highlighted in light blue. It has a checkbox checked (highlighted with a yellow box), the name 'Default name - Traffic', a status of 'Completed' (with a toggle switch), and an ad set 'CA - 18' with '0 active' ads.

<input checked="" type="checkbox"/>	Name	Delivery	Ad Set
<input checked="" type="checkbox"/>	Default name - Traffic	<input checked="" type="radio"/> Completed	CA - 18 0 active
